Application No. 09/851,995 Amdt. Dated July 21, 2004 Reply to Office Action of March 10, 2004

Amendment to the Claims

Please amend Claim 4 as follows:

- 4. (currently amended) An integrated hamper/laundry basket in the nature of substantially rectangular structure, said basket comprising:
- (a) means for the selectable slidable receipt of one or more vertical partitions to thereby separate the hamper/laundry basket into a plurality of compartments into which respectively different laundry types may be separated at the time and point of deposit thereof into said basket, said solid rectangular structure including four vertical lateral walls; and
- (b) apertures <u>substantially uniformly disposed</u> within each lateral sidewall of said structure, an aggregate of all areas of said apertures within each lateral wall not exceeding a range of between about <u>not less than</u> one-third and about <u>not more than</u> two-thirds of each of the entire area of each lateral wall,

whereby said apertures comprises a size and area sufficient to permit the aeration of clothing within said basket without detracting from the structural integrity thereof.
